

LT5000

ELECTRONIC TIME, DATE & NUMBERING STAMP

Provides an efficient, cost effective way to register time, date, numbers and customized messages on your important documents.

WHO USES TIME & DATE STAMPS?

All sizes and types of organizations where records are kept and document control is required:

- Court houses
- Manufacturing facilities
- Medical offices
- Insurance offices
- Transportation industry
- Banking institutions
- Schools & universities
- Restaurants
- Hotels & motels
- Purchasing offices
- File & mail rooms
- Telephone services
- Department stores
- Airports
- Bus & train terminals
- Parking lots
- Hospitals
- Emergency dispatch
- Government agencies
- Administrative offices
- Municipalities

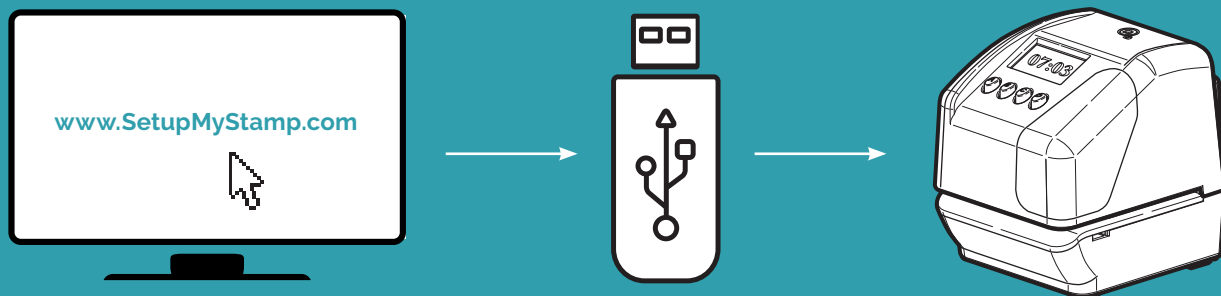

WHAT

MAKES THE LT5000 UNIQUE?

Unlike other dot-matrix time stamps, the LT5000 allows you to completely customize printing on up to two unique lines. Date, time, comments, custom text, and numbering counters can be set to fit your exact needs, and the patented printing method allows both lines to be printed in a single insertion in less than 1.3 seconds for fast and reliable operation!

Customize your Print Format

All print formats and custom text messages can be configured online and programmed to the unit using a standard USB flash drive eliminating complex button setup.

CONFIGURE UP TO FOUR DIFFERENT PRINT SETS AND SCHEDULE CHANGES, OR ALLOW THE USER TO SELECT ON THE FLY USING PUSH BUTTONS.

WHY

CHOOSE THE LT5000 STAMP?

FEATURES	
SmartClock™ Technology	Auto Month, Day, Leap Year, Daylight Saving Time change, up to year 2099
Memory Retention (time and settings)	Up to 3 Years Cumulative without Power
